2. Each Entrant makes a full commitment to attend official Tunarama functions and all Quest meetings
3. Each Entrant shall form their own support committee to assist throughout the year in fundraising and other events
4. Acknowledge that the Quest Coordinator position is appointed by the Port Lincoln Tunarama Committee and will oversee the operation and activities of the Quest. Entrants will be notified of dates scheduled for all Tunarama functions and training sessions.
5. Entrants are required to attend all official Tunarama training sessions, functions and fundraising events offered by Port Lincoln Tunarama Inc from the signing of this agreement. Attending these functions forms part of the judging criteria/process based on your commitment. Entrants themselves will not be required to pay for training sessions held throughout the year or entry to official Tunarama functions during the Tunarama Festival. All Entrants will commit to attend nominated events throughout the whole Tunarama Festival regardless whether a title is received. The winners of a Major Title must commit to attend the events throughout the whole Festival.
6. Entrants are to create a portfolio; this portfolio being a reflection of the Quest Entrant's life & their journey through the Port Lincoln Tunarama Ambassador Quest. Creative manners of expression are acceptable as suggested, eg painting, DVD, scrapbooking & are not just limited to photographs. A copy of the Quest Entrant's Portfolio will be distributed to all who judge the title of Port Lincoln Tunarama Ambassador of the Year.
7. Entrants are required to submit a brief overview (500 words or less) of themselves which will be used for media purposes with the understanding of this information being submitted to the website. This should be provided to the Quest Coordinator within 14 days of signing of the agreement.
8. Quest Entrants will make their initial presentation at a Sashing Event, where they will receive a sash with their Sponsor's name. Entrants are required to wear their sash for identification purposes to all fundraising events and official Tunarama engagements from that date. This fulfils the Sponsor's expectations of Entrants promoting their business in a professional manner. At all public appearances Entrants are to be honest, demonstrate integrity and never misrepresent either themselves, Tunarama, approved Non-Profit Organisation(s) or their Sponsor.
9. With the Sponsor's full assistance (financially and/or physically), it is a requirement that each Entrant be involved in the creation and decoration of a float to be entered into the Street Procession held during the Tunarama Festival. This forms the title Port Lincoln Tunarama Pageant Personality. No monies from fundraising are to be used towards any part of float construction.

Fundraising:

10. Fundraising may commence from 1st April 2019, but only upon acceptance of this signed application with Entrants being required to fundraise with the support of their committee/group for approved Eyre Peninsula Non Profit Organisation(s) or local community projects.
11. Entrants may fundraise individually or collectively with others. All Non-Profit recipients are required to lodge an application and to be approved by the Tunarama Committee. The accepted Non Profit Organisation(s) must be financially operational in the local region. Fundraising for non-approved organisations will not be counted as part of any Tunarama Quest Entrant's portfolio, nor may the Entrant portray themselves as doing so at any attached event. Notwithstanding the last statement, an Entrant may gain exposure at any event they choose to attend, so long as they do not contravene any other part of this contract.
12. 25% of any funds raised by each Entrant, up to a maximum of \$2000 per Entrant, will be retained and utilised by Port Lincoln Tunarama Inc for costs associated with the Quest. \$500 of this 25% retained will go directly to the following year's Quest.

13. It is expected all Entrants be active in their fundraising efforts throughout the term of their contract and hold regular events/activities in order to raise funds for the nominated recipient(s) as well as raising their own profile. Individual fundraising efforts will be recognized in the title of Highest Fundraiser. Collective events shall be apportioned on a pro-rata basis between those Entrants that contributed to a banked profit after full accounting has taken place of the event in question.
14. Fundraising activities can be administered anywhere in the world and are not restricted to the Eyre Peninsula region. However, the expenditure of all funds received by the Non Profit Organisation(s) must be for projects within the Eyre Peninsula region. The Non Profit Organisation(s) must provide an acquittal of all funds donated as part of the Quest Fund distribution, as per the submission outlined in their application. Any funds not expended in an appropriate manner shall be returned to Tunarama's general pool fund.
15. All fundraising activities and financial transactions (i.e. the writing of cheques and deposits) are to cease and be finalised by close of bank business hours on Monday 13th January 2020, this allows time for these transactions to be processed and also time for the title of Port Lincoln Tunarama Highest Fundraiser to be assessed. Entrants will be provided monthly bank statements by the Port Lincoln Tunarama Inc Treasurer throughout their fundraising term. Entrants are to keep all financial records and receipts to account for income and expenditure and are encouraged to meet with the treasurer for assistance in maintaining financial records. All records to trial balance, must be returned to the Tunarama office on or before the due date close of bank business 14th January 2020. Any Entrant who does not provide all financial records including bank statements, all receipts, records of payments and cheque books by this time may be ruled ineligible to win the Highest Fundraiser title.

The decision to remove the Entrant from eligibility will remain at the discretion of the committee and in either case the Entrant must notify the Quest Coordinator immediately of any untoward activity. Failure to do so may result in suspension from entry or eligibility to retain a title
24. If Port Lincoln Tunarama Inc for any reason beyond its control should be unable to provide any prizes as advertised, they shall, at their discretion, provide appropriate alternative prizes
